1. [] In response to a "secret" letter from Senator Thomas J. Dodd to Mr. McCone, I met with Dodd's Staff Assistant, David Martin, and suggested that in view of the Senator's interest in the Agency's determination regarding the [] that we meet with the Senator to advise him of the background and reasons for the Agency's position. Mr. Martin said he thought this was a good solution and will make arrangements for us to talk with Senator Dodd early next week.

3. [] I met with Mr. Samuel Archibald who provided me with page proofs of the Committee hearings on use of the polygraph by the Federal Government. The section provided contains among other things the testimony of [] a former Agency employee.

25X1

With regard to the Agency's reply to the Committee letter of 15 April, Mr. Archibald indicated that although he would like very much to meet with Agency representatives before the hearings scheduled for next Wednesday and Thursday, the staff schedule will not allow the time necessary prior to those days. I will meet with Mr. Archibald during the week to schedule a meeting with Agency representatives.
